D.O. No. VC/SECY/16/2013

Date: 01.04.2013

To,

All Members of the Vidyasagar University Community and its affiliated Institutions.

I have been directed by Professor Ranjan Chakrabarti, the Hon'ble Vice Chancellor of Vidyasagar University to write this letter to you. The entire University community in VU is deeply pained by the recent accidental death of Dr Amalendu Roy, the Teacher-in-Charge of Jhargram Raj College while traveling by train on his way back home on March 30, 2013. The Hon'ble Vice Chancellor has appealed to all the Principals, Teacher-in-Charges, Teachers, Officers, Non-teaching Staff, Research Scholars and Students of Vidyasagar University and all its affiliated institutions who commute daily or during week-ends by train, to take utmost care hereafter while traveling, particularly during embarking or disembarking from the compartments or while crossing railway tracks.

We understand that we are a University located in a peripheral area quite far off from the Metropolis and our employees have no other option but to travel regularly either by train or by road. But the Vice Chancellor is deeply concerned about the safety of every member of the University community and takes this opportunity to remind everyone that safety saves lives.

Sincerely,

Koushik Paul
(Koushik Paul)

Secretary to the Vice-Chancellor
