Research Position (RA/SRF/JRF) in Production Inventory System in Fuzzy Environment

One research fellow (RA/SRF/JRF) position is available in the Dept. of Applied Mathematics with Oceanology and Computer Programming, Vidyasagar University for working in a DG CSIR sponsored project. The selected fellow (SRF / JRF) will be allowed to join the Ph.D. program of Vidyasagar University, as per University's procedure.

Essential Qualification: M. Sc./M.E. in Mathematics with 55 % marks or a related field with good academic record with (i) NET/GATE for JRF or (ii) at least two year research experience in concerned field for SRF or (iii) Ph.D. in concerned field for RA. Favorable considerations will be given to applicants who are self-motivated; programming experience with C / MATLAB/ MATHEMATICA and basic knowledge with numerical, fuzzy set theory and statistics.

Title of the Project: CREDIT LINKED STUDIES IN INTEGRATED INVENTORY PRODUCTION SYSTEMS IN TYPE – II FUZZY ENVIRONMENT.

Emoluments: As per CSIR Norms

Funding Agency: Council of Scientific and Industrial Research, Human Resources Development Group, Extramural Research Division, CSIR Complex, PUSA, New Delhi

Application through e-mail with full curriculum vitae (including their courses in Master's degree) should reach to the undersigned on or before 10th June, 2017. Short listed candidates would be called for interview on or before 15th June 2017. No TA/DA will be paid for attending the interview.

Principal Investigator:

Dr. Shyamal Kumar Mondal, Professor

Dept. of Applied Mathematics with Oceanology and Computer Programming,
