NO.: VU/MO/21/2020

DATE: 03-04-20

The planet is going through one of the toughest times in its long history. In the midst of this unprecedented crisis we may face mental problems like anxiety, stress and depression while confronting the situation. To combat these mental conditions the Hon'ble Vice Chancellor has taken an initiative. Vidyasagar University is going to start an online counseling cell for the stakeholders of the university. For appointment and counseling please contact our clinical psychologists. If it is required the concerned person may be referred to consultant psychiatrist Dr. S.S. Dash. Stakeholders or their family members may kindly communicate through email. Whatsapp number (for online communication) and e-mail as given below.
