NOTIFICATION

We are passing through a very difficult time due to the outbreak of COVID 19 pandemic and the destruction caused by the recent super cyclone. In this period of crisis the University is deeply concerned with the future of our students studying in distance mode. The students are advised not to worry. The university is engaged in working out the following appropriate measures to safeguard their interest:

1. To ensure the safety and security of the students, faculties and staffs and also to resume all academic activities including examinations.
2. To conduct the examinations and publish the results.

As to the holding of the annual and final examinations (Part I and II) , it is hereby notified for information of all concerned that the mode, schedule and detailed guidelines of all such examinations shall be notified on the official DDE website of the university, (<https://www.vidyasagar.ac.in/>) in due course of time, in compliance with the statutory directions/advisories issued by Govt. Agencies and the UGC from time to time. Therefore, all concerned are advised to frequently visit the official website of the university DDE for updates / notifications related to the examination mode/ schedule/or guidelines. Only those information available on the university website of should be trusted to be authentic. Similarly, students who already appeared in the examinations or examinations which could not be fully completed due to the lockdown and are either awaiting their results or waiting for notification regarding fresh dates for their remaining examinations are also advised to rely on the University website for all updates and NOT to pay heed to rumours or hearsay.

The University is likely to announce the detailed schedule and/or decision relating to all such matters by 30th of June 2020.

The Directorate of Distance Education also notifies that the examinations will be planned in such a way that not a single student's career is adversely affected by this unprecedented crisis. The mode of all examinations will be decided by the university by giving topmost priority to the best interest of the students and their safety. All students those pursuing PG courses in the Distance mode, are advised to continue their studies from home.
