Access of ONOS Journals & EPWRF ITS Data

This is to notify that more than 13,000 scholarly journals are now available under the ONOS (One Nation One Subscription) project of Govt. of India. All the journals published by 30 famous international publishers are accessible for the students, faculty members and researchers through the static IP of our university. To access the ONOS journals inside the university campus the users have to visit – <https://www.onos.gov.in>

Recently, the university has subscribed to EPWRF ITS, an interactive online database covering 39 broad categories facilitating research across various sectors of Indian Economy. The data is accessible inside the university campus at the URL— <https://epwrfits.in>

Faculty members and scholars can access both the ONOS Journals and EPWRF ITS Data outside the university campus using the MyLOFT app at the following URL—

(<https://app.myloft.xyz/browse/home>).

To get the MyLOFT Ids they have to contact with the Asst. Librarian.

EPWRF India Time Series

The EPWRF India Times Series (EPWRFITS), interactive online database launched in January 2011, is an initiative taken by the EPW Research Foundation (EPWRF) with an aim to provide time series data facilitating research across various sectors of Indian Economy.

Perceiving the indispensable role of and need for authentic time series data in socio-economic research and analysis, the EPW Research Foundation has built the EPWRF India Time Series based on the core values - ACCURACY, TIMELINESS and COMPLETENESS.

EPWRF India Time Series is a unique online database with its comprehensive coverage of Indian economy for a fairly long time period and it comprises over a lakh variables capsuled in 39 modules. The database tries to provide in continuous time series from 1950 depending on the availability.

The 39 Modules
