NOTIFICATION

In continuation to the Notification bearing Memo No. VU/R/Noti./C253/2022 dated 08.07.2024 issued by this office earlier, it is hereby notified for general information again that as reported by our patrolling security staff members and also it has been observed that some of the students of our University after completion of their allotted classes are moving here and there, sitting inside the forest, sitting under the tree and also sitting on the tree at different darkness places in the University campus after the sunset resulting in any untoward accident may take place as there are so many poisonous insects and snakes etc. in the forest and campus. Besides this, the kids of the boarders are moving and playing here and there at different dark places which may also cause any untoward incident. To avoid such an untoward accident in the University campus, the student communities are hereby advised not to move here and there in the University campus and leave the University campus as soon as the classes end. The boarders are requested to properly monitor their children so that they do not run around in the dark.

The security concerned of the University are hereby requested to look into the matter and to do the needful in this regard.

This notification is issued with the approval of the competent authority.
